The Isle

That is...

A pendant ?

...Yes, my mom and dad.

...

My father passed away before I was born
A plane they were aboard crash-landed on some abandoned isle.

Father passed away on the isle and mother was rescued.

She lamented her survival.

She felt guilty for surviving alone ...

Ji-Yeon

I am fine though !

Such a caring person like you is by my side.

Let's wait a little like you said. It's not too bad being here anyway.

The thoughts I had when she said that to me ...

That I wanted her to be happy ...

Let's go !

And that everything was going to work out fine...

Let's call them !

Let's get out of here ASAP !
